Elevate Your Pharmacy Career: TerryWhite Chemmart Opens Masterclass Intern Program to All Australian Interns

For over a decade, the Masterclass Program at TerryWhite Chemmart has been shaping the future of Australian pharmacy, supporting thousands of pharmacists and interns to thrive in their careers. Developed by pharmacists for pharmacists, this innovative program offers comprehensive education, hands-on practical learning and insights from leading educators across a range of every day and emerging practice.

In 2025, the **Masterclass Intern Program, by TerryWhite Chemmart** is being made available nationwide as a free solution designed to prepare interns not just for their exams but for a career of impact and leadership – the aim is to empower the next generation of pharmacists with the tools, confidence and practical insights from industry experts to excel.

“Masterclass has been a cornerstone of pharmacist and intern pharmacist development in Australia for over 10 years,” said Brenton Hart, Chief Pharmacist at TerryWhite Chemmart. “The Masterclass Intern Program is about nurturing the leaders of tomorrow and building a better future for Australian pharmacy.”

Key Features of the Masterclass Intern Program

- Compliments the compulsory intern training programs and doesn't duplicate content.
- Designed by pharmacists for pharmacists: Featuring content created by leading pharmacist educator Nick Ng, the program combines expert guidance with real-world insights.
- Eight live, interactive webinars: Monthly, low-touch high-value sessions explore critical clinical topics, practical case studies, and leadership skills, ensuring interns build confidence and competence in their practice.
- Special guest speakers: Each month brings a new expert, delivering fresh perspectives and actionable knowledge tailored to modern pharmacy practice.
- Exam readiness: Comprehensive support equips interns to approach their Oral Exams with confidence.
- Preceptor guidance: Resources and tools empower preceptors to provide unparalleled support throughout the intern's journey.

The Masterclass Intern Program is accessible to all intern pharmacists and preceptors across Australia, completely free of charge.

A Proven Program for Success

For former participant Jake Bennetts from TerryWhite Chemmart Compounding

Ainslie, the Masterclass Intern Program provided the perfect complement to his formal studies and preceptor mentoring.

“The Masterclass Intern Program was invaluable in helping me build practical skills and confidence that I could put into practice immediately,” Jake said. “The interactive webinars and real-world case studies perfectly complemented my formal intern program, making me feel prepared not only for my exams but for my future as a pharmacist.”

Join the thousands of pharmacists and interns who have already benefited from the Masterclass experience.
